*Once again, we find ourselves in the midst of recital season as the end of another dance year draws near. And as reflected by this show, our dancers & staff have truly surpassed my wildest expectations.*

*Week after week, our dancers and staff have worked tirelessly to create this enchanting show. We have enjoyed many good times together, and supported each other through the hard times. This studio has slowly become a second home for so many children. It has always been my goal to create a safe and supportive environment that becomes an extension of your families, and together, we have done just that.*

*To my dancers; I see your hard work, your dedication, and your kindness every day. It has been my greatest joy to watch you all shine and flourish, both in and out of the studio. The lessons you learn on the dance floor will be carried with you for the rest of your lives. You are all smart, strong, and bold individuals who reflect our values as a studio in everything you do. You are the leaders and change-makers of tomorrow, and I am privileged to be a part of your journey; as both dancers and humans.*

*To my staff; you are the ones who make this all possible. Your creativeness, compassion, and dedication to your art and to our studio is what makes All 4 Dance such a special place. I thank you endlessly for joining me on this bumpy ride, and always making sure that we have some fun along the way.*

*To my student teachers; You have become leaders at our studio, and I couldn't be more confident in you as the next generation of teachers and dance educators. You have so naturally taken on the role of student teacher, and it is clear to me how much our younger students admire you. You have set an incredible example and left huge footprints for future students to fill. I will always, always be grateful to have had you as my first group of student teachers.*

*So, to all of our dancers and teachers, congratulations on an amazing season – your best one yet! You have worked hard all year and today is your day to shine. Remember to enjoy the moment and create memories that will last a lifetime.*

*Thank you, parents and guardians, for letting us share our passion of dance with the next generation. Our hope is that your child leaves each class feeling strong and confident. We hope they leave our studio better off than when they entered.*

*Thank you to my staff who spend long weekends with me at competitions, who come in on their days off to help around the studio, and are always stepping up to get things done. Each and everyone of you have forever left your mark on our studio.*

*Thank you to all parent volunteers and backstage workers who have helped to put on this beautiful recital. It takes a village, and I am so thankful to be a part of this one.*

*And last, thank you to my friends and family who give me support when I need it most, and celebrate all of the wins, big and small, with me. Thank you to Brooke O'Donnell, lovingly known to the students as "Miss Shorty" for supporting us at every studio event, spending long days with us at competitions, and always bringing the best snacks! Thank you to Mike Gibney, my fiancé, for being patient while I navigate life as a studio director and stepping back to let me make my biggest dreams come true. Thank you for letting me show you endless videos of dances and choreography, and for always listening to my latest crazy ideas – you have been the most supportive partner through it all and I can't wait to continue this journey together!*

*I want to send a special THANK YOU to each and every person who attended our show, Out Of This World. We hope to see you at next year's show, **Love In Motion!***

*Happy Dancing,
